PSC,

Please drop your cease and desist order against uber and allow them to continue to operate while they get a certificate.

Thank you,  
Glenn

**Subject:** Save Uber for SC

As a consistent Uber user throughout the country, I request the uber not be blocked any longer from operating in SC!

SC needs to be on the front end of innovation and business creativity, and not blocking progress.

I hate giving taxis my credit card, and so uber is a fantastic choice for business travelers like me. Safe and affordable rides with the latest technological innovations. That is what we need.
